### 1. Health & Safety

Arusha is generally safe for visitors, but standard travel precautions are advised.

- Avoid walking alone at night
- Keep valuables secure
- Use trusted taxis or hotel-arranged transport

#### Health Advisory

**Malaria:** Arusha is a malaria-risk area.

- Use mosquito repellent
- Sleep under treated mosquito nets
- Consult your doctor about antimalarial medication before travel

**Yellow Fever:** A Yellow Fever vaccination certificate may be required if arriving from a risk country. Vaccination is recommended for all travelers as a precaution.

## Travel Insurance

Comprehensive travel insurance is strongly recommended. Ensure your policy covers:

- Medical emergencies
- Trip cancellations or delays

## 2. Currency & Payments

Plan ahead for daily transactions and small purchases while in Arusha.

- Local currency: **Tanzanian Shilling (TZS)**
- Cash is widely used; carrying small denominations is advisable
- Credit and debit cards are accepted at major hotels and restaurants, but not universally
- ATMs are available throughout Arusha town

## 3. Electricity & Sockets

Bring the right adapter and make sure your devices are travel-ready.

### Voltage

230V

### Frequency

50Hz

### Plug Type

Type G (UK-style, 3 rectangular pins)

### Recommendation

Bring a universal travel adapter

## 4. Weather & Climate (June)

Arusha's highland climate is cooler and milder than coastal cities like Dar es Salaam.

June temperatures typically range from **12°C to 25°C**.

- Warm, pleasant days
- Cooler mornings and evenings
- Dry conditions with minimal rainfall

### What to Pack

- Light clothing for daytime
- A jacket or sweater for evenings
- Comfortable walking shoes

- Khaki and neutral colours for those attending post-summit tours

## 5. Transport & Getting Around

Moving around Arusha is generally convenient, with several reliable options available.

- Taxis and ride-hailing services are readily available
- Bolt operates in Arusha and offers a convenient, affordable option
- Hotel-arranged transport is recommended for reliability and ease
- Traffic conditions are generally manageable compared to larger cities

## 6. Communication

Staying connected in Tanzania is straightforward for international delegates.

- Time zone: **East Africa Time (GMT +3)**
- Primary language: **Swahili**, with English widely spoken in hotels, business settings and tourism
- Local SIM cards such as **Vodacom** and **Airtel** are easily available

## 7. Cultural Etiquette

A few simple courtesies go a long way and help create warm local interactions.

- Greetings are important and polite
- Dress modestly in public areas
- Respect local customs and traditions
- Asking before taking photos of people is appreciated

## 8. Important Contacts

Keep these key numbers accessible throughout your stay.
